Jeff Dunham is a global comedy superstar and one of the world's most inventive entertainers! His style has been described as "a dressed-down, more digestible version of Don Rickles with multiple personality disorder". Among the popular puppets Dunham uses in his acts are: the childlike Peanut; the grumpy old Walter; the unusual looking José, the Jalapeño on a Stick; the beer-guzzling redneck Bubba J; the flatulent-filled skeleton Achmed the Dead Terrorist; and his superhero-hating Melvin the Superhero Guy.
