Enjoy a unique evening of music, dancing and death aboard an authentic British double decker bus. You're invited to Buffalo's hottest 1977 disco, Studio 716. Unfortunately the club owner, Karl 'C-Note' Cash has been murdered -- a real bummer dude.

It's up to you to solve the murder mystery Was it the dashing DJ? Or was it the perky dance instructor? You'll need to question Candy Man Murphy who seems to have some party enhancers to sell. Don't forget to interrogate the club's co-owner as she's hiding something.

The real star of the show is you -- because you ask the questions, collect clues, and eventually solve the crime !
