Agreement

I am not now, nor have not been in the last 14 days, under any COVID-19 quarantine orders or contact tracing restrictions. I agree to abide by Bus America's above guidelines and also those in place by any and all venues on tour, and will follow any instructions and requests of my Bus America tour director made on tour to accommodate the safety of all fellow travelers. These could include requests regarding safety policies, social distancing, mask wearing, hand sanitizing, temperature taking, maximum group sizes, seating allowances, as well as program or schedule adjustments. The cancellation or interruption of your tour due to Covid will result in a credit for a future Bus America trip in our "Forever Rollover" Program - your payment will be applied to a future trip (and is transferrable to another traveler if you are not able to travel).
