2020 Overnight Tours COVID 19 Traveler Guidelines

KISS - KEEP IT SIMPLE & SAFE - GUIDELINES

1. Practice good, continual hygiene – wash hands frequently, hand sanitizer will be available on motorcoach, with your tour leader, and at the venues
2. Wear a face mask/ covering - bring your own (and extras in case you lose one) and wear as required in public, as you would daily at home in New York.
3. Take your temperature - the night before and morning of trip departure, and each morning on tour. We encourage travelers to bring their own thermometer, but our tour leaders will also bring one that can be loaned out for traveler use.

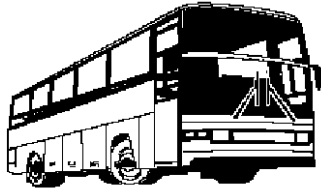

If your temperature is elevated or you do not feel well before tour departure: please stay home and we will credit your money to a future tour and/or work with our suppliers to maximize your refund.

If your temperature is elevated or you do not feel well during the tour: please let your tour leader know right away so we can make appropriate arrangements for you to receive medical attention and quarantine/return home as necessary. For any portion of a tour that you would then miss, we will credit your money to a future tour and/or work with our suppliers to maximize your refund. Please note any additional costs associated with an individual's independent return or required quarantine accommodations will be at the travelers own expense.

4. Practice Social Distancing – keep at least 6 feet between yourself and anyone who is not your family or trusted travel companion. Follow all guidelines and markings indicated at venues to obey their designated social distancing requirements.
5. Motorcoach Seating – we will manage vehicle provisioning and seating assignments to maintain approximately 50-60% vehicle capacity and appropriate spacing and comfort. Travelers will only be seated immediately next to or in front of / behind their own family members or trusted travel companions. **For everyone's safety, travelers will need to cooperate with the tour leader and/or fellow travelers and sit where they are assigned / asked – failure to do so will result in the traveler's being dismissed from a trip at their own expense. The final number of travelers per vehicle will depend on the final group composition (i.e., numbers of family/trusted travel companions per group).**

**We will always work to accommodate everyone as best we can
to make your travel experience a safe and enjoyable one.**

With everyone's cooperation, we are confident we can enjoy traveling together again 😊

2020 Overnight Tours Covid-19 Waiver Form

***Please read thoroughly, complete, sign & date, and submit to Bus America Group Tours no later than 14 days prior to the tour departure date in order to secure a seat on your overnight tour. Failure to do so will result in cancellation and penalties may apply.**

Agreement

I am not now, nor have not been in the last 14 days, under any COVID-19 quarantine orders or contact tracing restrictions; or been in direct physical contact with anyone who has.

To maximize my own safety and that of my fellow travelers, I agree to abide by Bus America's attached KISS Covid19 Travel Guidelines, and, also, any not specifically listed here, but advised on tour by any venues and/or travel supplier or staff.

I agree to follow any instructions and requests of my Bus America tour leader and/or group leader on tour to accommodate the safety of all fellow travelers and staff, including requests regarding safety policies, social distancing, mask wearing, hand sanitizing, temperature taking, maximum group sizes, and seating; as well as program or schedule adjustments and/or traveler quarantine or dismissal needs.

Any cancellation or interruption of my tour due to Covid19 symptoms or exposure will result in a credit for a future Bus America trip (also transferrable to another traveler); or I will accept the refund Bus America staff is able to obtain working with traveler suppliers in light of the particular circumstances.

I am participating in this tour at my own risk, and agree not to hold Bus America, or any of its staff or agents, my group leader, or any other travel suppliers or staff servicing the tour, liable for any exposure to or contraction of the Covid19 virus and the resulting costs and/or implications.
