In The Phantom of the Opera, a young singer, Christine, is charmed by a mysterious specter who haunts the Paris Opera house. Based on Gaston Leroux's famous novel, the musical's tale begins as unexplained accidents have been occurring throughout the Paris Opera, and the stuck-up diva, Carlotta, refuses to go on. Christine takes her place and is a triumph. At her opening night, she meets her childhood friend, Raoul. Alone in her dressing room, she finally meets the Phantom who has taught her to sing so beautifully. Taking her to his lair in the misty catacombs beneath the Opera House, the Phantom declares his love for Christine, but she soon learns his terrible secret
