Anchorage is located between mountains and an inlet, surrounded by national parks and filled with Alaska wildlife; it combines the best of Alaska in a city that has the comforts of home and the hospitality of the Last Frontier! You might enjoy getting out to see the shops, restaurants and cultural attractions of this surprisingly metropolitan city. Dinner on your own. **Overnight in Anchorage.**

**Thursday, May 25**

After breakfast at your hotel, check out and depart on a panoramic **guided tour of Anchorage**, Alaska's largest city. Your Alaskan guide will share history, family stories and explore Anchorage's past and present. Highlights include the mysterious Earthquake Park, Alaska Railroad, Westchester lagoon, float planes departing from Lake Hood, and historic neighborhoods. Have time for souvenir shopping and lunch on your own, and then continue your journey north along the dazzling George Parks Highway, an attraction in itself! You will catch your first views of the incredible Mt. McKinley and Denali National Park along the way. Arrive at your lodge located close to the park entrance and check in. Dinner will be on your own. **Overnight at Denali National Park.**

**Friday, May 26**

Today enjoy incredible scenery and wildlife viewing as you travel deep into the Park's interior on the fully narrated seven to nine hour **Tundra Wilderness Tour**. Almost before the wildlife begin to appear, a stunning view of Mount McKinley appears at mile nine at the beginning of the journey. Then the high mountain passes expose sheep, moose, caribou and brown bears. Watch as the colors of the mountain seem to change depending on the light and time of the day.

As you pass to the other side of Polychrome Pass and the Toklat River & bridge, your tour bus will turn around at an overlook to provide a truly awe-inspiring view of North America's highest peak. Return to your lodge this afternoon and have some time to relax. Tonight dinner is on your own, or have the option to enjoy the Old Time Alaska Dinner Theater, featuring a colorful cast of characters who depict the legendary adventures of Alaskan natives with spirited music and humor! **Overnight at Denali National Park.**

### PORTS OF CALL

**Glacier Bay National Park & Hubbard Glacier:** Just west of Juneau, this breathtaking national park and preserve boasts some of the world's most spectacular tidewater glaciers, such as Margerie Glacier, which often drops colossal chunks of ice into the sea. Take in the awe-inspiring scenery as you enjoy an unforgettable day of sailing through this dazzling park, where you'll glide along emerald waters and past calving icebergs, and can breathe in the crisp, fresh air to your heart's content.

**Skagway:** Skagway was the gateway to the gold fields for the thousands who flocked to Alaska and the Yukon with the hope of striking it rich. Skagway may have boasted the shortest route to the Klondike but it wasn't the easiest. The gold rush was a boon and by 1898, Skagway was Alaska's largest town with a population of about 20,000. Today, Skagway has less than 1,000 residents but it still retains the flavor of the gold rush era.

**Juneau:** In 1880, it was slow going for Joe Juneau & Richard Harris as they searched for gold with the help of Native guides. After climbing mountains, forging streams & facing countless difficulties, they found nuggets "as large as beans." Today Juneau is famous not only for gold and government but also for its breathtakingly beautiful glaciers and stunning views of both water and mountains.

**Ketchikan:** Visitors to Ketchikan will be intrigued by its rich Native heritage, which includes the world's oldest collection of totem poles at Totem Heritage Center. The Haida, Tlingit & Tsimshian are all a part of the city's colorful history. Ketchikan, with its abundance of salmon, is also a sportfishing paradise. Sightseers will be impressed with both the scenic town & its surroundings, especially Misty Fjords National Monument.
