*Bandstand tells the story of musician Donny Novitski who is about to take on the mission of his life: leading his band of fellow veterans into competition for America's next swing band sensation. When Donny meets a beautiful young singer named Julia, he finds the perfect harmony in words and music that could take this band of brothers all the way to the live radio broadcast finale in New York City. But to succeed, it will require every ounce of talent, stamina and raw nerve that these musicians possess. **Rated PG***
